CO-ORDINATING COMMITTEEExport of Electronic Equipment to PolandMemorandum by the United Kingdom Delegation

The United Kingdom authorities have been asked to approve the export to Poland of a Line Strobe Waveform Monitor, complete with test set equipment. Its value is \$4,480 and it is covered by the definition of I.L.1584(a).

2. The purchaser would be ELEKTRIM, a Polish State trading association, acting on behalf of ZAKLADY, S.L.P.O., BARSKA, WARSAW, who require the equipment for testing television apparatus.

3. This type of strobe waveform monitor was designed especially for television purposes. A previous application to export four of these monitors to Russia was approved by the Committee in 1958 - see COCOM Doc. 2976, in which full technical details were given.

4. The United Kingdom authorities wish to authorise this export under the special Polish exceptions procedure. The usual assurances against re-export would be obtained and they would be grateful for the views of Member Governments by July 23.
